

MOTOR GOLD Forline SAE 5W-30

MOTOR GOLD Forline SAE 5W-30 is a high performance motor oil based on the latest HC-synthetic-technology. The product was specifically developed for vehicles where the Ford specification WSS-M2C913-D is recommended. A high quality additive system is used improving anti-wear properties and reducing formation of deposits. Excellent cold start behavior ensures optimum lubrication during the cold start phase.

Other advantages:

- High fuel efficiency (fuel economy)
- Excellent wear protection
- Significant reduction of deposits
- Lubricating film stability even at high operating temperatures
- Very good protection against corrosion and foaming
- Improved soot protection
- Excellent cold starting properties
- Fast engine oil circulation
- Protection against excessive thickening of the motor oil

ACEA-/API-specifications:

ACEA A1/B1

ACEA A5/B5

API SL

Meets/suitable for use:

(Meets requirements for product approval, but there is no specific product approval notified)

Ford WSS-M2C 913-D

(backwards compatible with previous specification Ford WSS-M2C 913-C/-B/-A)
